OFFICE OF THE PRIVATE SECRETARY

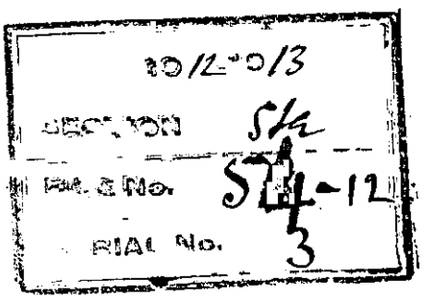
Mysore 18th April 1913

DIARY No. 4157



Petition as shown below, to His Highness the Maharaja, is transferred to the Secretary to the Government of His Highness the Maharaja of Mysore, General and Revenue Department (Br: II), Bangalore, for

Submission of papers in the case.

No. 1174 of 12-13.

THe Private Secretary to

H.H. the Maharaja of Mysore,

M Y S O R E.

Sir,

I beg to submit the following for your honor's kind and generous consideration and for favourable orders of our beloved Highness.

1. The maintenance ordered to be given to me viz. Rs8/- a month out of my step-son Dodda Madikere Naik's pay is not at all sufficient for my livlihood considering the position and respectability which my late husband had earned.

2. My step-son Dodda Madakari Naik, having made false representations against me in the presence of the Khazana Bakshi, some-how and behind my back, made the latter officer to decide in his favour even without going through and perusing my several petitions.

3, At the time of my husband's demise, he was pleased to order his son orally to protect me very comfortably if I remained with him, and if not, to give me at least half the pension in my life every month for maintenance. These facts were never taken into consideration, either by T. Ananda Rao, Esquire Ex Dewan or by the Khazana Bakshi, or by our beloved present Dewan, M. Visvesvaraya, Esq. though requested through petitions to do so.

4. That before Gudikota Pallegar pensioner Kesavamma got a pension, the Government was pleased to pass orders to the effect that her Brother-in-law the late Pampapathi Raj should pay her Rs25/- a month, and there are also several other decisions, of

C3

of the kind passed by the Government, some of those are mentioned below, in favour of your Highness' memorialists like myself.

5. I beg to submit that my step-son Dodda Madakari Naik has given me immense trouble and annoyance and has also assaulted me on several occasions. These facts were never enquired into by the Khazana Bakshi though several times represented through petitions.

6. I cannot but trouble Your Honor and ~~and~~ our beloved Highness and ~~and~~ Patron to revise the order passed sanctioning Rs8/- for my maintenance, as my dispute is unsettled for the last two years and I have nothing more to do than to beg hereafter.

7. Being a Ghosa Lady I hesitated and did not appear before Your Honor to represent all my grievances, and now as my stomach is not fully fed, and my position is too lessened by the Benign Government, I have entirely left my Ghosaship being ready, if permitted, to (be) present myself before Your Honor, in order to crave before Your Honor my present circumstances, and give up accordingly my respect and dignity etc., to Your Honor, for protection.

8. I beg to state that I represented my grievances before our late Dewan T. Ananda Rao, Esq., who, to my misfortune, has confirmed his former decision, without even ordering an enquiry.- Vide No. Fl 1174/ S & A 39-11 dated 18-9-1912.

(LIST OF CASES DECIDED).

(a) In 1873, a maintenance of Rs15/- a month was ordered and granted to my Mother-in-Law Seebakamma Nagthi, by my husband and his brothers.

(b) About 2 years ago, Ramalingappa Naik, a pallegar pensioner of the Gummanaikana Palya family, was directed to pay Rs15-6-0 a month, to his sister-in-law Venkata Narsama, towards her maintenance, which now continues.

(4

(c) Rangamma Nagthi, of the Molakalmuru Family is similarly getting Rs20/- a month from the Barawardar.

9. For these reasons I humbly and respectfully beg that my case may be favourably considered by Your Honor and placed before His Highness for favourable orders, and for a maintenance which would suffice my position, etc., out of my step-son's pension, instead of Rs8/- a month and thus protected.

10. My step-son Dodda Madakari Naik falsely says that he is indebted. Even granting that he is so entangled in debts, I beg to submit, that he has no business to beat and oust me from his house, without taking his father's dying declaration orally given to him, regarding my livlihood, into consideration, and keep up to his deceased father's orders.

11. I further beg to state that my son has only a wife and 2 children under his protection. If my maintenance is increased, I submit, he will not be put to any inconvenience at all.

12. I have been living by contracting debts, ever since the order was passed. I beg to state that it is shameful for me to receive the sum ordered without enquiry, and behind my back.

13. I have fully believed His Highness' Government, to be the mother of the subjects, and more especially, to the poor Pallegar Pensioners of the State, and if our Highness would not kindly take my poor request into His gracious consideration, I beg to submit, that my only way, is to fall into a well and die. After this is done my step-son will be satisfied I believe.

14. I beg under the foregoing circumstances, that, at least a sum of Rs15 or 20 a month may be ordered to be given to me out of the pension of my step-son and to issue orders to the latter to give me a house to live in during my life.

15. For which act of kindness and generosity of our beloved

beloved Highness and for Your Honor's humble name and fame in the present Administration, I shall, as in duty bound, ever pray for Your Honor's and for His Highness' Long Life and Prosperity.

I beg to remain,

Sir,
